## Hospital parking danger

DISABLED drivers are being encouraged to use their common sense when parking near the County Hospital in Dorchester.

Lack of spaces at the official car parks often means that those with blue badges are forced to park outside the hospital site on

double yellow lines in Williams Avenue.

"The problem is caused when people park close to the corner at the exit, or even on the corner," said

Mr Harries points out the hospital is also on a bus route and he has frequently seen bus drivers also struggling to get into and out of the site safely.

"We all know that parking could be a lot better at the hospital and there aren't enough spaces but people seem to think they can park where they want, irrespective of how safe it is - all I am asking is that disabled drivers - who I have a great deal of sympathy with, try to park only where it is safe to do so."

A check last week revealed that all but two of the ten cars parked in the road were showing disabled badges. The road is patrolled by the town's traffic wardens.

A hospital spokesman confirmed that the main hospital site has 253 dedicated

Born in Dorchester in 1963, Caroline Paul was just 18 months old when her family moved to a rundown 300-year-old property near Cerne Abbas.

Nearly 50 years later, Caroline still lives there with her parents and teenage son, running it as Giants Head Caravan & Camping Park – a "rural touring park for healthy walking types."

Leaving behind a career as an independent financial advisor, Caroline began running Treasure Trails Dorset five years ago.

### ■ WHAT are treasure trails?

There are more than 55 walking, driving, cycling and bus treasure trails across Dorset. Each trail has clues that you need to find and solve to lead you around a route.

They are designed to show you the best historic and picturesque sights of a location, whilst entertaining the whole family at once. The trails involve either solving a murder mystery, following a treasure hunt or carrying out a James Bond style spy mission. Each answer eliminates a suspect or a location until you are left with just one - the whodunnit, the location of the hidden treasure or the code to deactivate the device.

They are award-winning activities that get the whole family out and about exploring.

### ■ HOW did you get involved with them?

I first met Steve Ridd, who started Treasure Trails in Cornwall, at an air show in 2004. Steve stood out because of his lively, fun attitude. I bought a couple of trails and both were fantastic. Steve emailed me a few months later to say he was looking for someone to write trails in Dorset and would I be interested. As my parents were getting a bit older I thought it would be a great thing for me to do, to reduce my hours as a financial adviser and work from home writing the trails while helping them with the holiday park.

### ■ HAVE you always enjoyed walks and the countryside?

I have always been a country girl and have always loved the countryside. My favourite trails are those that explore some of the lesser-known villages. I love to find out all I can about the history, local stories and any gossip from the locals.

### ■ HOW do people respond to the walks?

I do get some great feedback from Trailers. Here are a few: "Absolutely fantastic! This is the third one I have done with the kids, fabulous!" (Swanage 4 Kids Trail), "Did it with friends on a brief holiday in Weymouth and they loved it - saw things we would normally miss!" (Weymouth Town). "A lovely way of exploring different places and noticing things overlooked before." (Bridport Town)

### ■ HAS anyone got horribly lost following your clues?

Not that I am aware of – or maybe they are still lost! After I have written the trails I always, without exception have

someone else to check them. I give them the trail and I follow behind with a clipboard taking notes just in case I have written "go left" and it should be "go right".

### ■ HOW do you find new routes or themes?

I have so many trails that I want to write. Whenever I am out I very often divert off the main road down narrow roads looking for new places to explore, you wouldn't believe what can be hidden away. Dorset is just wonder-

ful for all those hidden secrets. Who has lived here, who was born here and who is buried here, but I am not going to tell you any secrets, you will have to check out my trails! I also get asked by people to write new trails.

Sometimes it is possible but in some cases although they live in a lovely part of Dorset there is just not quite enough to write a full trail, so I make a note and keep these for future driving trails.

### ■ WHAT is your favourite journey in the world?

My father had always wanted to go across the Rockies in Canada before he got too old (he's 81 now) so about five years ago I arranged for him, his older(!) brother, my son and myself to go. We went over Christmas and it was fantastic. My mother decided to stay home as she could see how much work it would be looking after two pensioners who have spent nearly 80 years squabbling (like brothers do) and a teenager. I still think this was my favourite journey.

### ■ WHO living or dead would you most like to go on a walk with?

I suppose I could be really corny and say Pierce Brosnan because he could rescue me with one of his James Bond manoeuvres but that would be fibbing. It's Pierce Brosnan because he is just gorgeous to all us middle-aged women.

### ■ WHAT would be your ideal destination after a long walk?

Back home to one of my mum's roastie dinners – yum.

### ■ DO you Sat Nav?

Only when I have to, I am a country girl and a lot of this techy stuff goes way over my head, I have only just learnt how to turn on my son's iPhone and that is as far as I have got with it.

### ■ WHAT is your earliest memory?

I can remember sitting in a pram or pushchair passing lots of metal railings. Apparently before I moved from Dorchester my mother used to walk with me by the Dorchester Hospital where there were lots of metal railings.

### ■ WHEN is the last time you had to say sorry?

Sorry, me? You've got to have done something wrong to say sorry! Only joking, probably to my son, I seem to say sorry to him every day but I really don't know why, maybe to try and keep the peace when he is having one of his teenage tantrums.

Trails can be download from [www.treasuretrails.co.uk](http://www.treasuretrails.co.uk) or available in booklet format from Tourist Information Centres and various retail outlets or direct from Treasure Trails Dorset.

# Protestors step up campaign to stop development at Came View

THE BATTLE to stop development outside of the Dorchester bypass line at Came View has been stepped up.

More than a thousand leaflets have been distributed to homes in the area and both the Thomas Hardy and William Barnes societies have been asked to join the fight.

Protestors were yesterday (Wednesday 27th), at the district council offices to make their views known and a meeting has now been arranged with MP Oliver Letwin.

West Dorset District Council has been accused of breaking promises not to allow development beyond the bypass line by suggesting that 1,000 or more homes could be built south west of the road between Thomas Hardy's Max Gate home and the Broadmayne Road opposite Old Came Rectory, once the home of dialect poet the Revend William Barnes.

Barnes lived at the Rectory between 1862, when he was 61, and when he died aged 85.

The Rectory holds an annual open day for Dorset Wildlife Trust and some meetings of the William Barnes Society.

"The building of 1,000 homes on Came View will unarguably ruin the rural setting of William Barnes' Old Came rectory, and indeed, would be an offence to the great man himself," said resident Philip Leach in a letter of protest to the district council.

A decision on earmarking the land for development is expected to be made on Monday, March 4th, at the district council's planning committee before going to the full council on March 14th.

Protestors point out that the site is just yards from an Area of Outstanding Natural Beauty with much of the site prone to flooding. They fear that it has been looked at simply because of local protests over development plans for Sherborne, Crossways and the Beaminster area.

There is also anger that the council has declined requests to hold a public meeting – while acceding to requests for meetings in Sherborne. Protestors were told that this Wednesday's afternoon and evening drop-in session at the new district council offices was adequate.

Mr Leach continued: "The council's impact assessment significantly under-estimates the harm that the development would cause to nationally important heritage sites, the Area of Outstanding Natural Beauty, the natural environment and the setting of Dorchester. The council's flawed impact assessment conflicts with national planning policies set out in the Government's National Planning Policy Framework.

"Came View forms part of an important national heritage area. Rural views which inspired Dorchester's internationally famous writers Thomas Hardy and William Barnes will be lost forever.

"The area is prone to flooding and feeds into the groundwater protection zone. This will be severely compromised by the proposed building of 1,000 homes."

by Trevor Bevins  
[trevorbevins@gmail.com](mailto:trevorbevins@gmail.com)

Mr Leach also claims that the proposed development would not be sustainable and would add to traffic congestion in the area.

"There is no plan to provide any additional facilities such as schools, hospitals and parking in Dorchester to cope with the additional residents of the 1,000 proposed homes (perhaps as many as 3,000 extra residents).

"Although 35 per cent of the housing planned is for 'affordable homes', the adoption of this strategy has failed in Poundbury, where there is the unresolved issue of

many of the houses ending up as second homes for wealthy Londoners."

Objectors are being urged to write to: The Spatial and Community Policy Team, South Walks House, Dorchester, DT1 1UZ, or to make online responses via the form at: [www.dorsetforyou.com/newlocalplan/west/weymouth](http://www.dorsetforyou.com/newlocalplan/west/weymouth)

There is also a Facebook protest page and a "Save-CameView" website [www.savecakeview.talktalk.net](http://www.savecakeview.talktalk.net)

After public consultation any proposed changes to the plan would be presented to councillors before being submitted over the summer to the planning inspector for independent examination.

The Local Plan could be adopted as soon as February 2014.

## Quiz funds for animal rescue

□ QUIZ WINNERS: Staff from Magna Housing present their cheque to Louise Kneeling of Margaret Green Animal Rescue

BRIGHT sparks of a Dorset-based housing association have raised £775 for Margaret Green Animal Rescue through a company quiz night.

Magna Housing staff held their annual quiz night and decided to donate proceeds from the night to the Dorset and Devon based rescue centre.

The centre takes in around 1,200 animals a year at their three centres based in Church Knowle, Lincoln Farm in Bere Regis, and Tavistock, Devon. They rescue all kinds of animals including dogs, cats, sheep, rodents, rabbits and donkeys. Most of the animals that come to them are unwanted, neglected or abandoned. They rely heavily on public support to meet the costs of the work and most of the charity's staff are volunteers.

Quiz organiser Chris Meadows commented: "The quiz night is always good fun and we wanted to donate the proceeds to a local charity. The rescue centre offers

a chance of a better life for so many animals."

Louise Kneeling marketing and fund raising manager for Margaret Green added: "We would like to thank Magna for thinking of us in their fundraising efforts, every donation is vital. We are also always looking for volunteers to help us in anything such as admin work, media, fundraising, animal care and much more. If people are interested they can call 01929 480 474. We are also always grateful for good quality cat and dog food. Blankets, towels and cat and dog toys are also welcome!"

## Keeping paths clean

DORCHESTER'S historic walks should remain cleaner – thanks to help from the town's Business Improvement District.

Dorchester BID has bought a new barrow complete with vacuum attachment as its contribution to the town's new Keeper of the Walks project.

"We are delighted to be able to confirm that the new barrow will be in operation immediately," said BID director Phil Gordon.

"This project offers several things. It gives an extra cleaning facility around the town between the two main street cleans of the day but John, who is our main 'Keeper of the Walks' is also charged with keeping an eye on the cigarette bins around town to keep them emptied, smart and report any repairs needed. The Keeper of the Walks is also happy to help visitors with directions around town when people need help and advice."

Mr Gordon says that there is also a 'Grime Hotline' number (01305 252401) for any business or member of the public that spots a problem with grime or rubbish around the town.

## Vehicle break-ins

TWO people have been arrested after an early hours break into two cars parked in Dorchester's Cambridge Road.

Neighbours called the police at 1.45am on Monday, February 18th after hearing noises and discovered that a Land Rover and a Ford Transit has been attacked.

The offenders ran off but were arrested a short distance away.

In a separate offence thieves broke into a caravan that was also parked in Cambridge Road. This offence occurred between 11am and 1.30pm on Thursday 21st and it appears that a laptop computer has been stolen.

## FROM page 1

cated staff spaces, 174 for general public use and 271 which public and staff can use which offers some flexibility.

"Many of the cars that park in Williams Avenue belong to blue badge holders who are entitled to park there, but we do have disabled spaces near all the entrances on site."

"We do encourage staff to car share and we have dedicated car sharing spaces at Trust HQ. We also promote public transport options, including the park and ride, to staff. Only staff who live a certain distance away from the hospital site are entitled to car park permits. We are constantly reviewing the situation and are developing a sustainable travel plan for the hospital which will look at all of these issues," said the spokesman.

## Rise in fire authority charge of 9.5p a week

DORSET Fire Authority approved a rise in the amount it will charge Dorset residents of under a fiver a year.

The service says the 9.5 pence per week increase will help protect frontline services.

Chairman of Dorset Fire Authority, Councillor Rebecca Knox, said: "The Dorset Fire Authority recognises that there is a need to keep household bills as low as possible but that without this small increase of 9.5p per week, the fire and rescue service here in Dorset - for which we are all rightly proud - would find it difficult to maintain the essential

services it provides. Even with this increase we are still well below the average fire and rescue service precept level, plus we will still face a £2m shortfall over the coming years."

Chief Fire Officer, Darran Gunter says the service has already identified over £4m of savings per year by 2015/16, a 14 per cent reduction in the budget, and cumulatively the savings over £29m up to and including 2016/17.

Senior management posts have been reduced and some support functions have already been downsized or outsourced, including legal

services, payroll and pensions management, democratic services and procurement.

"We have recently agreed the next stage of our efficiency programme which will involve examining opportunities for income generation and fuller cost recovery, further collaboration with neighbouring fire and rescue services and the benefits of shared support services alongside our ongoing efficiency savings. Members and Officers are determined that everything possible will be done before reductions are made in frontline services," said Mr Gunter.

## Is that cigarette you are smoking legal?

A CAMPAIGN has been launched to tackle illegal tobacco trade in Dorset and the South West.

Organisers claim that almost 2 in 10 smokers in Dorset now smoke illegal tobacco – giving the trade in the South West an equivalent value of £211m at retail prices.

On Monday Smokefree South West launched a multi-partnership initiative as part of on-going efforts to tackle the illegal tobacco trade in the South West.

The partnership claims that illegal tobacco brings criminals into local communities and into contact with children. As well as being unregulated, illegal tobacco is often bought at 'pocket money prices', selling for less than half the tax-paid price of legally sold tobacco. This attracts younger smokers and allows those who could otherwise not afford to

smoke, to maintain their habit and undermining their attempts to quit.

In Dorset, 6 out of 10 people believe that illegal tobacco poses a real danger to children and over 6 out of 10 illegal tobacco smokers agree that the reduced price of illegal tobacco products allows them to smoke when they otherwise could not afford to.

Smokefree South West Director, Fiona Andrews said: "Significant progress has been made since February 2011 when we first launched the campaign to tackle the problem of illegal tobacco across the South West. Our collective efforts to tackle illegal tobacco are having a big effect, but more can be done."

South West spokesman for HM Revenue & Customs, Bob Gaiger said: "The trade in illegal tobacco across the South West is a very real problem, one that through this part-

nership initiative we are tackling, but there is more still to be done. Illegal tobacco is often the first stage in a chain of illegal trades that fund criminality.

"These criminals smuggle tobacco and cigarettes illegally into the country. Some of these will be counterfeit and will have been manufactured in completely unregulated environments to be sold at knock-down prices. They do not care about the impact on local businesses, your neighbourhood or your children's lives, targeting anyone and anywhere they can make money."

The campaign will be running a local public engagement event in Dorset in March to help bring the message of the dangers illegal tobacco poses into local communities.

OFFICERS in Dorchester are appealing for anyone with information to come forward after a theft from a mobile phone shop in the town centre.

The incident happened at around 5.15pm on Tuesday, February 19th, at Vodafone Ltd along Cornhill.

Four men entered the store just before closing and stole a number of dummy phones, display mobiles and two iPads.

The suspects are believed to have

run off along Antelope Walk.

Police Constable Garry Mason, of Dorchester police, said: "The offenders entered the store during a busy period and ripped the items straight off the walls before making off."

The estimated value of the stolen phones and iPads is believed to be around £5,000.

"I am very keen to hear from anyone who may have witnessed this theft take place, or may have information about those involved."

"I would also like to trace the stolen property and speak to anyone who has been offered mobiles or iPads in strange circumstances, possibly for an unusually low cash sum."

Anyone with information is asked to call Dorset Police in confidence on 101, quoting incident number 19:337. Alternatively, call the free and anonymous Crimestoppers line on 0800 555 111 where mobile phone tariffs may apply.

## New cycle route in Weymouth Avenue will link to network

WORK starts next week on a new cycle lane in Weymouth Avenue, Dorchester.

Much of the £55,000 cost of the project is being met from a Government backed Local Sustainable Transport Fund.

Engineers are expected to start work on the project on Monday, March 4th which will disrupt traffic at times.

The new section, between the Sawmills-Druid's Walk junction and Maiden Castle Road, will link in with other local National Cycle Network routes. These include those from Weymouth to Dorchester and the route through West Dorset on to Devon.

The Sawmills section links in with the route to Max Gate and onwards to the Purbecks.

The Weymouth Avenue work will see the creation of a 2.5 metre-wide cycle track on what is currently a grass verge to the East of the main road. Also included will be new dropped kerbs, junction improvements and new signing.

## Charity hopes for some rare 'finds' for auction

THE Julia's House charity shop in Dorchester is serving as a collection point for items which might be suitable for a charity auction for the Dorset's hospice service for children.

The Julia's House auction will be held at the Thistle Hotel, Poole Quay on March 13th.

The charity is appealing for ceramics, glass and other interesting bric-a-brac from across the county which might be worthy of going under the hammer.

Antiques expert Paul Cartlidge, who is a relief retail manager for

Julia's House, is hoping to repeat the success of last year's auction when he discovered a valuable vase in a box of donated knick-knacks destined for a charity shop shelf.

The small brown vase turned out to be a rare piece of Bernard Leach pottery which raised £1,600 for the children's hospice. Other items donated last time included a rocking horse, a 1960s dolls house a gold watch, a rare book and a Carlton vase.

Among lots picked out so far for the 2013 auction is a solid silver

limited edition goblet commissioned by Westminster Abbey to commemorate the wedding of Prince Andrew and Sarah Ferguson. It has an auction estimate of £300-£400.

There will be two viewing days ahead of the auction on Monday, March 11th from noon to 5pm and on Tuesday March 12th from 9am to 5pm. A catalogue will also be available online.

Items can be donated to any of the charity's shops or call 01202 644220 to arrange collection.

DORCHESTER'S Skatepark has proved so popular that parts of it are beginning to get worn away.

As a result the Weymouth Avenue site will soon have to be closed for a short period while work gets underway to tackle the erosion to soil at the edges of the concrete ramps.

Contractors will be installing an artificial surface in the hope that it solves the problem.

Meanwhile it has been announced that this year's Skatejam will be held on Saturday, April 27th.

The annual event attracts hundreds of in-liners, bmx riders and skaters

and includes other attractions such as parkour, a boulder wall and crazy cycles.

Last year's event was curtailed because of extremely wet weather which forced the cancellation of the competition element of the day.

# A long way from Last of the Summer Wine

LAST of the Summer Wine actor Tom Owen returns to his theatrical roots to perform Samuel Beckett's play Krapp's Last Tape at Dorchester Arts Centre on March 9th.

Samuel Beckett's masterpiece of 20th century drama sees one man review his 69 years with the aid of tape recordings made every year on his birthday.

The recordings reveal the foolishness of a young man, a complex character who, now older and lonely, is reluctant to continue with life yet unable to let it go. It's a brilliant theatrical illustration of the internal conversation we have with ourselves.

Tom Owen says: "It's my first experience of Samuel Beckett and it's the biggest challenge I've had in 47 years of show business."

"There are so many facets to this char-

acter. I'm constantly stripping away the layers to discover more in each performance."

"It's an incredibly moving piece of theatre."

Tom Owen will answer questions from the audience after the 8pm performance.

Tickets cost £12/ £10 from Dorchester Arts on 01305 266926 or the Tourist Information Office in Trinity Street, Dorchester or online at: www.dorchesterarts.org.uk

The performance is part of Dorchester Arts spring season of drama supported by Battens Solicitors through its Charitable Trust.

No previous skill is required for this session which will be run as a friendly group activity.

In the coming months the group will cover silk painting, on April 16th, making rag rugs, silver clay jewellery and seasonal crafts.

Daytime sessions also run throughout the year – the next one is Tapestry Weaving on March 13th.

## Schools asked to send Sign2Sing forms back

SCHOOLS from the Dorchester area who participated in the world record attempt for the most people signing and singing a song simultaneously are being urged to return their official witness statement forms.

Schoolchildren from the area look set to have broken the sign2sing Guinness World Record, organised by SignHealth on February 6, but not all participants have sent in the essential information.

Steve Powell, Chief Executive of SignHealth, the national healthcare charity for deaf people, said: "We need the witness statement forms along with photographic or video evidence to send to Guinness World Records™, so they can officially confirm we have broken the world record. It's vital we have these or all the children's hard work won't count."

"We're calling for all schools from the Dorchester area that took part to send in their paperwork to confirm they participated in the event. We believe more than 135,000 children took part in sign2sing but without the evidence we are unable to verify the actual number."

"The previous world record, which we set last year, was 114,277 so we are hoping to have smashed this. Our 2013 event was truly fantastic and we're extremely grateful to everyone who took part."

Schools need to send in their completed witness statement forms, video or photographic evidence and funds raised to SignHealth, 5, Baring Road, Beaconsfield, Buckinghamshire, HP9 2NB by Friday, March 15th.

Hundreds of schools from all over the country, including Dorchester, registered to take part in the Guinness World Record sign2sing project for the most people signing and singing at the same time.

Young people signed a song, entitled 'sign2sing', which was composed especially for the event.

The lyrics were written by Garry Slack, author of the award-winning 'Sign with Olli' books and the music was composed by Paul Fairey, who has written various theme tunes for television and radio.

Damian Field from Guinness World Records said: "Over 135,000 pupils from schools around the world are expected to have taken part in the record attempt this year, which will break the record set last year of 114,277 people."

## Wildlife photographic award for young people

■ **LICHEN** by Lauren Humphries

**DORSET** Wildlife Trust is encouraging young people to get out with their cameras or mobile phones to capture winning wildlife this spring.

The first frogspawn and butterflies of the year have already been spotted and the conservation charity wants people's spring pictures for its monthly photographic competition for under-18s.

The Pat Dolbear Photographic Award for Young People aims to get young people interested in some of the smaller examples of nature by using their mobiles and digital cameras.

The award is the brainchild of expert photographer Ken Dolbear, a long-standing member of DWT from Portland, and is dedicated to the memory of his wife Pat.

Prizes of up to £25 in Amazon gift tokens will be given to one or more of the young photographers who, in the opinion of the judging panel, submit the best work each month.

DWT community conservation officer Catherine Mason said: "Now is the perfect time to practice using your latest phone or

camera by searching out the hidden wildlife in your local area.

"Try looking in sheltered spots such as under logs for creatures hiding from the cold, or venture out on a sunny day and find an early bumble bee or beetle. We are keen to see pictures of some of our smaller wildlife that is often overlooked, so take a closer look around you!"

The monthly winners and runners-up work will be showcased on Facebook and Twitter and may even feature in DWT's monthly e-news bulletin Wildlife Matters. Some of the images may also benefit DWT's conservation work by expanding its already comprehensive photographic data base of wildlife in the county.

To enter the Pat Dolbear Photographic Award, send photos to [photocomp@ dorsetwildlifetrust.org.uk](mailto:photocomp@ dorsetwildlifetrust.org.uk) including your name and age and some detail about when and where the photo was taken. Winners will be notified by email. Latest winners can be seen at [www.facebook.com/dorsetwildlife](http://www.facebook.com/dorsetwildlife).

Wishing Jim all the best in his new premises

## J Larcombe Architectural Consultant celebrates two years in business

Continued success sees JLAC open new premises

**T**HIS Friday J Larcombe Architectural Consultant will be celebrating two years in business.

Jim started his career at the age of 16 working for a well-established Architectural Practice in Dorchester. Having completed his ONC in Building Studies, Jim,

turned his attention to his HNC and trying to find work closer to home. He moved onto a smaller practice in Beaminster gaining more valuable experience and completing his qualifications.

In March 2011, Jim made the big step to go it alone and set up JLAC in his hometown of Lyme Regis.

This has turned out to be a very successful step. With an ever increasing client base and good local knowledge, Jim has now taken on over 120

projects, with the majority of work coming in West Dorset, East Devon, South Somerset, but also the odd project from further afield, with work presently going as far as Buckinghamshire.

In Late January 2013, a new office premises was opened at 44 Church Street, Lyme Regis, where you will find Jim and some of his freelance staff.

In the past two years Jim has taken on a wide range of projects ranging from kitchen extensions, to barn conversions, new builds and was part of the team of consultants

to gain outline planning permission for the new school in Uplyme, Devon.

With a wide range of contacts to call upon, when required, Jim can take on any size project whether its a new porch, or a housing Development, Jim will always be interested. At JLAC, distance is never a problem, and as long as travelling costs can be covered, the work will be welcome.

Jim is always on the look out for more freelance staff, with Architectural Technicians high on his list at the moment. If you have been looking to team up with an Architectural Practice, Jim will be willing to explore the possibility.

Jim would also like to take this opportunity to thank everybody that has helped him in the last year: "Whether it's recommendations, advice, or simply giving me the opportunity to work with you as clients. Most of all I'd like to thank my family, friends and girlfriend, who have stood by me all the way through."

## Testimonials

"We were looking for a local architect and approached Jim as we liked planning applications that he had submitted for other local properties. We instantly warmed to Jim as he listened carefully to list of needs and type of architecture we liked and was able to offer his own ideas and suggestions. It showed how in tune he was with what we wanted as the initial plans he came up with are not too dissimilar to the plans ultimately submitted. After a couple of discussions we had plans that offered the contemporary family home that will work for us. We realised that our plans to convert a 70s style bungalow into a modern, contemporary family home were ambitious and so gave Jim a time frame of one year to obtain planning permission. We actually got planning permission in just a few months and it was an incredibly stress free process. Jim has created for us plans for home that will look amazing from the outside using a range of materials and has created an internal layout that will function brilliantly as a busy family home by the sea. We are keen to continue our relationship with Jim and have him project manage the build and would have no hesitation in recommending him to anyone looking for a local architect."

A. East, Lyme Regis

"We have just started work with Jim on an extension to our house. We chose him because he came well prepared, listened to us and had some really interesting ideas."

P. Blackshaw, Lyme Regis

"I was delighted with the plans and advice given to me for my extension by Jim Larcombe.

Not only were they completed swiftly and economically, but with close personal follow up, which is most important on any job big or small"

N. Fortnam, Lyme Regis

"Jim interpreted our layout requirements exactly and his window design has added significantly to the appearance of our home. Planning consent was received quickly and without the need for any revisions. During the building work, Jim liaised with D & J Mew Developments, our builder, the structural engineer and Building Control to help the project to an early and highly successful conclusion."

Tim and Sue, Lyme Regis

## A literary mouth full!

A SPECIAL cake has been created to celebrate Thomas Hardy's birthday weekend this year.

Heathcote House bed and breakfast in Milborne St Andrew has dreamt up a Hardy Cake which it will serve to guests around what would have been Thomas Hardy's birthday on June 2nd.

The recipe features honey, spice and beer.

Kate Guior (pictured), who co-owns Heathcote House with her sister Ruth says; "Thomas Hardy's Jude the Obscure worked in his aunt's bakery and baking is enjoying a massive resurgence, so we thought, why not make a literary cake?"

A number of events are planned by the Thomas Hardy Society in and around Dorchester over the first weekend in June to mark Hardy's birthday. Amongst them will be lectures, walks, the annual wreath-laying at Hardy's statue and a Hardy lecture.

The event is taking place slightly earlier than normal this year, on Sunday March 24th, and will start from a new location – the Middle School in Coburg Road.

In addition to the one and two-mile fun run routes, the 10k event is also taking place again, after being reintroduced successfully last year.

Lions have been able to raise almost £200,000 for local good causes, and charities.

Everyone in the Fun Run can raise money for their own nominated charity or good cause – 50 per cent of the money will go to the runner's charity with the other 50 per cent to Lions supported organisations.

In the last year the club has been able to donate to over 60 good causes within the community, including £500 to each of four local cancer support groups, as well as providing financial help to several clubs and organisations offering sporting opportunities for people with disabilities.

■ READY TO RUN: Competitors taking part in last year's Lions Fun Run. This year's event takes place on March 24th from Dorchester Middle School.

## Group offers support for those suffering with rheumatoid arthritis

A SUPPORT group for those affected by rheumatoid arthritis is being held in Dorchester on Thursday 28th March.

Nearly 7,500 people in Dorset are estimated to have RA, and many more are affected by it. This support group, hosted by the National Rheumatoid Arthritis Society (NRAS), will provide an opportunity for all these people to discuss the care and support available. The meeting will be

held in the Dorchester Day Centre on Acland Road in Dorchester, starting at 7pm.

In a recent survey by NRAS, 94 per cent of people with RA said they felt frustrated by their disease, 80 per cent felt anxious and 51 per cent reported feelings of loneliness, understandable as RA can be isolating, often leaving people confined to their house. NRAS support groups help

change that by bringing people together, letting them know they're not alone, and allowing them to learn more about what can be done to manage their disease more effectively.

"These group meetings provide valuable information on how to make effective use of local care services. They also offer an opportunity for people with rheumatoid arthritis to meet others with the same con-

dition and share experiences" said Ailsa Bosworth, Chief Executive of NRAS, and herself an RA patient.

The West Dorset NRAS group is part of a network of 40 support groups located across the country, members of which all have rheumatoid arthritis so understand exactly what it is like to have the condition.

# College is to host rural crime prevention course

**POLICE** Tractor and Kingston Maurward House Rural Crime Prevention Event team, l-r: Paul Carter (Community Safety officer, Purbeck District Council), Lee Griffiths (Dorset County Council), Les Fry (Dorset Police), Kate Huelin (Dorset Fire & Rescue), James Selby-Bennett (Humphries Kirk), David Tharby (Crimestoppers), Esther Baker (Kingston Maurward College), Shawn Whitley (Dorset Police) and Jenny Goldsack (Kingston Maurward College)

DORSET Police and partners will be hosting the second annual Rural Crime Prevention Event at Kingston Maurward College on Friday, April 26th.

The focus of the event will be crime prevention for rural businesses and industrial estates, in addition to farmers, growers, landowners, equestrians and anyone with an interest in rural pursuits.

During the day crime prevention methods will be demonstrated using latest techniques and technologies. Presentations from speakers will take place throughout the day.

This event will introduce rural businesses to tactics that they can adopt to prevent crime and fire, many of which are low cost in comparison with the expense and inconvenience of losing a key piece of kit or repairing fire damage.

Weymouth and Portland Neighbourhood Inspector, Les Fry, said, "This is a great opportunity for members of our rural communities to come along and

benefit from crime prevention advice.

"In these challenging times we want to help people to make it harder for criminals to commit crime by taking appropriate crime prevention steps.

"We are also working closely with Dorset Fire & Rescue Service to ensure we have up to date information about rural premises and properties which will help us to prevent fire and arson in these areas, and that should the need arise, fire crews have sufficient information about a location to promptly tackle fires."

Speakers include: James Vaughan, Assistant Chief Constable Dorset Police; Les Fry, Neighbourhood Inspector Dorset Police; Shawn Whitley, Neighbourhood Inspector Dorset Police; Councillor Ray Nottage; Robert Lasseter, Dorset Farmer and Michael O'Sullivan, Risk and Compliance Director Facewatch Ltd.

Head of Agriculture at Kingston Maurward Col-

lege, Tim Stephens, said, "Kingston Maurward College is pleased to be hosting such a high profile event aimed at reducing the rural crime that causes so much economic stress, and the impact on people and their livelihoods.

"We hope that holding an event that farmers and rural business people can attend to find out how to make themselves less likely to become victims of crime, will benefit the whole of our rural community.

"As the hub of Dorset rural industries, and having a 280 acre estate ourselves, Kingston Maurward College will be able to share our experiences of rural crime and its prevention."

To register to attend this free event please contact Elaine Ryan on 01305 226 865 or email [elaine.ryan@ dorset.pnn.police.uk](mailto:elaine.ryan@ dorset.pnn.police.uk).

For trade stand enquiries, please contact Wendy Cunningham on 01305 215 123 or email [events@kmc.ac.uk](mailto:events@kmc.ac.uk).

# Last of the Summer Wine star performs Krapp's Last Tape

TOM Owen, star of the world's longest running comedy series *Last of the Summer Wine*, returns to his theatrical roots to perform Samuel Beckett's play *Krapp's Last Tape* at Dorchester Arts Centre on Saturday, March 9th.

By turns tragically funny and hilariously sad, Samuel Beckett's masterpiece of 20th century drama sees one man review his sixty-nine years with the aid of tape recordings made every year on his birthday.

The recordings made by the banana-loving Krapp reveal the foolishness of a young man, a complex character who, now older and lonely, is reluctant to continue with life yet unable to let it go. It's a brilliant theatrical illustration of the internal conversation we have with ourselves.

The character of Krapp is an immensely demanding role that only the most experienced actor would attempt but Owen's skilful portrayal of him combines pathos with moments of great humour.

Tom Owen says: "It's my first experience of Samuel Beckett and it's the biggest challenge I've had in 47 years of show business."

"There are so many facets to this character. I'm constantly stripping away the layers to discover more in each performance."

"It's an incredibly moving piece of theatre."

Bananas and alcohol abound in this powerful and poignant one-man show about ambition, sacrifice and growing old. It starts at 8pm and Tom Owen will answer questions from the audience afterwards.

'An expertly acted and directed show. It will move you deeply.' Edinburgh Guide

Tickets £12/ £10 from Dorchester Arts 01305 266926 or Tourist Information Office 267992 or online at: [www.dorchesterarts.org.uk](http://www.dorchesterarts.org.uk)

This performance is part of Dorchester Arts spring season of drama supported by Battens Solicitors through its Charitable Trust.

*Grammy nominated  
Gretchen Peters to  
perform at the  
Electric Palace*

THE title of Gretchen Peters' new album *Hello Cruel World* is a pun on the famed exit line — a joke that, like the lovely melodies and deliciously textured arrangements framing these 11 songs — sweetens this captivating music spun from a year of turmoil. The Grammy nominated singer-songwriter from Nashville calls *Hello Cruel World* her "most close-to-the-bone work, written at a time when I felt absolutely fearless about telling the truth."

Explaining *Hello Cruel World*'s genesis, Peters says,

"In 2010 the universe threw its best and its worst at me. Some of it was personal, some global. All of it seemed to demand that I redefine my ideas of permanence and reevaluate what I believe in, to literally rethink what is real."

Gretchen Peters plays the Electric Palace on Wednesday, March 6th. Tickets are on sale now from Bridport Tourist Information Centre 01308 424901 or online [www.seetickets.com](http://www.seetickets.com) Doors open 7pm / Starts 8pm

EDEN Garden Developments make finding a contractor simple by providing for all clients' Garden Design, Construction & Care requirements, large and small locally. The Design & Build Unit of A1 Environmental Services, offers a professional, friendly, integrated service.

The Beer, Devon base principally covers a 30 mile radius including Lyme Bay, the Otter Val-

ley, the Blackdown Hills and the Vale of Taunton. Installing all types of Fencing, Gates and Decking, Walling and Patios, Eden offers a complete landscaping package including Lawns, Horticulture and Aquatics.

An example is illustrated here where a sunken garden has been created by installing terracing and steps. This enables access to the bedding

and enjoyment of the year round colour, fragrance and interest provided. Balance is achieved by graded planting with larger shrubs such as Photinia, Viburnum, Callistemon and Pittosporum to the lower far ground and shorter shrubs including Hebe, Azalea, Lavandula and Pieris to the fore.

Generous mulching means maintenance costs are low. In fact "cost leadership" is at the forefront of the business whilst keeping quality and the principles of design central. Further information, supporting literature and help is freely available.

WITH modern global trade and the UK's abandonment of manufacturing, your garden furniture could come from anywhere. Some places a lot less reputable than others.

Through global industry accreditations such as Forestry Stewardship Council (FSC) and

Programme for the Endorsement of Forest Certification (PEFC), there are ways for you as a consumer to make a more informed choice when it comes to purchasing your new wooden garden furniture.

Cornwall and Devon benefit from huge areas of woodland

and luckily has a well-established forestry and timber industry that can not only sustainably manage these reserves to high standards that are globally-recognised, but can also process that harvested crop into high value products for construction and agriculture as well as your home & garden.

Obviously, timber from your local community, instead of timber that has been shipped thousands of miles around the world, has far better environmental credentials. But local timber is not just better for the environment, it also gives you piece of mind that it is benefiting ancient local industries and trades. Just like the minced beef for your family's spaghetti Bolognese this Saturday or the milk on your corn flakes this morning; buying local is good for you, your community, the local economy and the environment.

In 1958, the Duchy of Cornwall set up a sawmill at Downend near Lostwithiel. Now owned by a forester with more than twenty years industry experience, the sawmill is now one of the largest in the south west and is the beating heart of Duchy Timber Limited. Duchy Timber garden furniture, gates and fencing products are made from wood that is sustainably felled within Cornwall, Devon and Somerset and are handmade by experienced craftsmen using traditional techniques.

17 YEARS of hard work, learning the trade inside out and excellent customer service have paid dividends for Paul Prettejohn in building a strong and loyal customer base.

In any specialist industry, manufacturers and retailers must work closely together to ensure the customer receives the service they deserve throughout the life of the product they have purchased, and it is with this in mind that Paul Prettejohn has been recognised by Mountfield for the excellence of the sales and service back-up they have continued to provide for the owners of Mountfield garden machinery.

Paul said, "We have been supplying and servicing Mountfield lawn and garden machinery for many years, and our relationship with this manufacturer is as

solid today as the day we first took on the dealership. As a consequence we are extremely proud to have received this recognition

from a supplier who is "really about" the customer, and shares our belief in providing good old fashioned customer service."

## Marshall James Garden Development

HERE at Marshall James, we specialise very much in the domestic side of landscaping, the majority of the work has been and continues to be the making or altering of gardens.

Our philosophy is that your garden is an extension to your property, another room just as important, using your garden for your children, home, produce, or just easier to maintain, you might be coming into retirement or just have a busy working lifestyle. Our team has a combination of skills and specialities enabling us to take on more complicated schemes, but never will we make a distinction between whether your garden is large or small, it is your own individual space whatever the size.

Having worked alongside many well known designers, time and experience has enabled us to offer and 'in house' design service where we blend our own ideas and styles with a wide range of horticulture variables and individual aspirations of our customers.

The Company has competed twice at Chelsea Flower Show, be-

coming Silver and Gold Medal winners. It was a time of both inspiration and a challenge to compete successfully against our peers at the very highest level, it was a massive achievement for the whole team.

The Company's red pickups with their distinctive logos have become a familiar site on the local roads for the last 26 years. Our roots remain firmly in Beaminster with our yard in Tunnel Road behind Little Groves.

Our enthusiasm and passion for what we do is unchanged, each job has a fresh set of challenges and the gardening year in cyclical and season dependent, ensuring that no task is the same and that there is always a new problem to overcome.

Whether it is pruning your trees and shrubs, sorting out your Roses and climbers, Marshall James can offer you a full range of services, design, hard and soft landscaping and specialist maintenance. Please feel free to contact us to discuss any of your gardening needs and we would be only too pleased to help.

# The Knicker Lady returns

ROSEMARY Hawthorne, aka The Knicker Lady, is making a welcome return to Dorchester Corn Exchange at 7.30pm on Friday, March 22nd with her brilliant Two Act, One Woman Show of the same name.

Rosemary, who is often to be seen or heard on television and radio, combines her dramatic and comedic skills as a classical actress with her knowledge as a respected fashion historian to provide two hours of scintillating, unforgettable theatre.

The Knicker Lady takes her audience on a colourful, two hundred a fifty year jaunt through women's lives, told with wit, satire and sometimes broad comedy, illustrated by what they wore – both on top and underneath.

Described by one critic as "The Joyce Grenfell of knickers" and by another as "having the style and timing of pure comic genius", Rosemary is quite simply unique and not to be missed!

Rosemary Hawthorne brings The Knicker Lady show to Dorchester Corn Exchange, 7.30pm on Friday, March 22nd.

Tickets, £12.50 from Dorchester Tourist Information Centre, 01305 267992 and Bridport Tourist Information Centre 01308 424901.

## Hotly tipped band to play at the Dorchester Arts Centre this Friday

ONE of the most exciting bands to emerge on the music scene is hot new band SaturdaySun who will be playing at Dorchester Arts Centre on Friday, March 1st at 8pm.

Tipped by everyone from Music Week Magazine to BBC 6 Music's Tom Robinson as a band to watch in 2013, SaturdaySun create some of the most mesmerising and powerful sounds around from their base in an abandoned grammar school in Swanage. SaturdaySun create a sound that is as mesmerising and intricate plugged-in as it is stripped back and acoustic. It's a sound that hints of americana, folk, rock, blues, even grunge influences all melted into a sound that is pure SaturdaySun.

Although they draw inspiration from classic

artists like John Martin, Nick Drake and Jeff Buckley, their sound is absolutely original and contemporary. Their recent Seagull EP has been a download hit, their live performance on WatchListenTell has had more than 60000 plays and they are currently working on their debut album, to be released soon. A chance to catch a band destined for big things at your local venue...

Support comes from Lily and Meg, and The White Bicycles – two more fantastic young bands from the South West.

To listen to SaturdaySun visit: [www.saturdaysunmusic.co.uk](http://www.saturdaysunmusic.co.uk)

Tickets cost £7 / £5 concessions from Dorchester Arts 01305 266926 or Tourist Information Centre 267992 or online at: [www.dorchesterarts.org.uk](http://www.dorchesterarts.org.uk)

## The day Bridport turns vinyl

THE recent upsurge in vinyl records fostered by a large number of radio and tv shows on the listening pleasure of records, should come as no surprise to Bridport, the town is becoming established as "The Hay-On-Wye" type town for Record and CD Buyers with its quarterly Vinyl Saturday Record and CD Fair and over 20 shops around town and a number of Saturday Market stalls also selling records and cds.

Vinyl Saturday started in November 2008 at the dawn of the renaissance of renewed interest in vinyl records and made Bridport the first town in the UK and probably Europe to recognise it and offer music fans the opportunity to buy find and buy vinyl records again and other music related items all in one town. The event was that successful that in the following year - The world's leading authority on all things vinyl Record Collector Magazine recognised it as Fair of the year

The quarterly event runs in March, May, August and November of each year and is supported by the Town Council, Tourist Board, Shops and Bridport Market Traders.

Bob Gillis the Town Clerk said for 2013 "Bridport's Historic Street Market continues to be very popular with local people and visitors to the area, with a wide variety of over 100 stalls on a Saturday. This includes a large number of music stalls, which take pride of place on Vinyl Saturday, which has become one of the key events in the town's annual calendar.

As the event has grown so as the need for a bigger venue The Record and CD fair on the March 2nd has moved to a new venue in Bridport United Church, East St and dates for 2013 and 2014 are already in the calendar. The record and cd fair on March 2nd will be the biggest yet with over 25 tables booked and will run from 10am to 4pm, admission £1 or free with the advert in this paper.

# This week's big screen releases

### HANSEL & GRETEL: WITCH HUNTERS <sup>15</sup>

IN this spin on the fairy tale, Hansel & Gretel are now bounty hunters who track and kill witches all over the world.

As the fabled Blood Moon approaches, the siblings encounter a new form of evil that might hold a secret to their past.

Stars Jeremy Renner, Gemma Arterton and Peter Stormare.

### SAFE HAVEN <sup>12A</sup>

WHEN a mysterious young woman named Katie appears in the small North Carolina town of Southport, her sudden arrival raises questions about her past.

Beautiful yet self-effacing, Katie seems determined to avoid forming personal ties until a series of events draws her into two reluctant relationships: one with Alex, a widowed store owner with a kind heart and two young children; and another with her plainspoken single neighbor, Jo. Despite her reservations, Katie slowly begins to let down her guard, putting down roots in the close-knit community and becoming increasingly attached to Alex and his family. But even as Katie begins to fall in love, she struggles with the dark secret that still haunts and terrifies her ... a past that set her on a fearful, shattering journey across the country, to the sheltered oasis of Southport. With Jo's empathetic and stubborn support, Katie eventually realizes that she must choose between a life of transient safety and one of riskier rewards ...

Stars Julianne Hough, Josh Duhamel and Cobie Smulders.

### IDENTITY THIEF <sup>15</sup>

MILD-MANNERED businessman Sandy Patterson travels from Denver to Miami to confront the deceptively harmless-looking woman who has been living it up after stealing Sandy's identity.

Stars Jason Bateman, Melissa McCarthy and Jon Favreau.

### ARBITRAGE <sup>15</sup>

ROBERT Miller is a successful financial businessman with a loving wife and a smart daughter ready to take over the family business. Professional secrets involving illegal fraudulent activities start coming out at the same time that Robert's personal secrets take a turn for the worse and threaten to derail everything he has achieved.

Stars Richard Gere, Susan Sarandon and Brit Marling.

### STOKER <sup>15</sup>

INDIA Stoker was not prepared to lose her father and best friend Richard in a tragic car accident. The solitude of her woodsy family estate, the peace of her tranquil town, and the unspoken somberness of her home life are suddenly upended by not only this mysterious accident, but by the sudden arrival of her Uncle Charlie, whom she never knew existed. When Charlie moves in with her and her emotionally unstable mother Evie, India thinks the void left by her father's death is finally being filled by his closet bloodline. Soon after his arrival, India comes to suspect that this mysterious, charming man has ulterior motives. Yet instead of feeling outrage or horror, this friendless young woman becomes increasingly infatuated with him.

Mysterious drama starring Mia Wasikowska, Nicole Kidman and Matthew Goode.

### THE GUILT TRIP <sup>12A</sup>

AS INVENTOR Andy Brewster is about to embark on the road trip of a lifetime, a quick stop at his mom's house turns into an unexpected cross-country voyage with her along for the ride.

Stars Barbra Streisand, Seth Rogen and Julene Renee-Preciado.

### BROKEN CITY <sup>15</sup>

IN a city rife with injustice, ex-cop Billy Taggart seeks redemption and revenge after being double-crossed and then framed by its most powerful figure: Mayor Nicholas Hostetler.

Stars Mark Wahlberg, Russell Crowe and Catherine Zeta-Jones.

### OZ: THE GREAT AND POWERFUL <sup>PG</sup>

A SMALL-TIME magician with dubious ethics arrives in a magical land and must decide if he will be a good man or a great one.

Stars James Franco, Michelle Williams and Rachel Weisz.

### What is Novahomes and how does it work?

Novahomes was started in 2006 and has estate agents across the west country. Originally the agents worked from offices at home but many of them outgrew this model and moved to having offices.

Although our competitors call us web agents we are not. Typically a web agent takes a fee leaving you to do all the work. We are a traditional estate agent but we use the technology of the web, the mobile and the tablet to promote your home.

### How can you charge such low fees?

Estate agency has changed. Buyers now use the internet to search - and the vast majority use either rightmove or zoopla to source property. The days of needing newspaper adverts and large high street shops are gone. These were big ticket items on the overheads and by removing them the client can pay a much lower fee. Just remember if you see an agent with lots of newspaper advertising and a large high street shop you will be paying for the costs of all that! And for what? Buyers use the internet and not the newspaper. Buyers use property portals on their PC, laptop, tablet or mobile and not shop windows.

### How does the service compare then?

Novahomes is just like any other estate agent. We visit your home and measure, write up the details, take photographs, and draw the floor plan. We then discuss values and agree a marketing price. Your property is marketed on a number of websites including the two largest property portals which are rightmove.co.uk and zoopla.co.uk because millions of people use these sites each week. In addition we favour the old fashioned method of contacting buyers - hot buyers registered are rung, and then your property will be e-mailed or posted to those who want more information. We organise the viewings and we endeavour to accompany all of them so a key is always helpful. We are more than happy to do these either in the evening or on weekends. Once we have an interested party we negotiate the sale, instruct the solicitors, and assist with any chain or legal matters. For lettings we run the same service and can either find a tenant for you, move them in and process the paperwork with you managing the property yourself or we can manage the tenant for you on an ongoing basis.

### Where is the catch - there must be one surely!

No catch. We run a short sole agency period because we want our clients to stay with us because they are happy with the service we provide them. We have a proven track record on sales and letting property and literally hundreds of clients have saved themselves typically half what they would normally pay a high street estate agent. The world has changed and we have simply adapted to the new world of mobile information to make the marketing of your home the best you can get and as cost effectively as possible. We pride ourselves on giving a personal service and being there to help at all stages of the transaction.

## Mercedes-Benz A-Class is AM's New Car of the Year

THE NEW A-Class was announced as 'AM New Car of the Year' at last night's prestigious AM Awards.

Tim Rose, Managing Editor of AM, commented: 'The new A-Class has the style, dynamism and technology that's required to punch its weight in this highly competitive sub-segment. It's an all-round performer and just the product that Mercedes-Benz dealers need to entice new customers into

their showrooms.'

The announcement of the win for the new A-Class has added to the momentum behind the new model which has been met by significant demand not just in the UK but throughout Europe, with 90,000 pre-orders for the car ahead of its market introduction.

Marcus Breitschwerdt, President and CEO of Mercedes-Benz UK commented: 'This is

a significant win that reflects not only our investment in innovation but also our commitment to listening to existing and potential customers and giving them exactly what they want. We have an exciting year ahead for the new A-Class, and this is a great start.'

'From the innovative interactive marketing campaign through the style and technology packed into the car itself, to how our network is marketing and selling this great car, everything about the way we're approaching the A-Class is new. This Award is great recognition of those efforts.'

First deliveries of the new A-Class commenced in January following on from a series of innovative and vibrant regional roadshows throughout 2012, raising awareness among potential buyers and demonstrating its bold new direction as well as its advanced comfort, safety and dynamic systems fitted as standard. Prices start at £18,945 OTR – images and detailed information on the new A-Class can be found here.

In what was a successful evening for Mercedes-Benz, the innovative My Dash system also won an Award – being named 'Best Digital Initiative'.

## New 188 MPG Audi A3 e-tron motors into Geneva

Plug-in hybrid provides a realistic glimpse into the future of Audi, as the new A3 e-tron makes its debut at the Geneva Motor Show

AUDI will make all the right connections next month when the A3 e-tron petrol/electric hybrid – capable of up to 188mpg – adds to the roster of highlights on the Audi stand at the Geneva Motor Show. Integrating a conventional petrol engine and an electric motor, the advanced plug-in hybrid offers impressive performance, exceptional efficiency and, equally crucially, complete freedom from 'range anxiety'.

The electrification of the drivetrain, above all using plug-in technology, will play a decisive role in the model strategy of the Vorsprung durch Technik brand. This latest development is designed to give some insight into how the technology will take shape in the Audi models of the future.

A modified 1.4-litre TFSI unit, in this application featuring a peak power output of 150PS, provides the more 'conventional' input for the A3 e-tron. A clutch links this to a 75kw electric motor, which is integrated into a newly designed six-speed 'e-S tronic' transmission sending power to the front wheels. Combined, the two power units generate 204PS of system power and 350PS of system torque, good for a 0-62mph sprint of 7.6 seconds and a top

speed of 138mph. Peak torque from the electric motor is instantly available from rest to around 2000 rpm, and maximum torque from the TFSI engine is on hand between 1,750 and 4,000 rpm.

Equally importantly, according to the ECE standard for plug-in hybrid cars, the A3 Sportback-based e-tron is capable of covering up to 188mpg with CO2 emissions of just 35g/km.

The Audi A3 e-tron can run exclusively on electric power for up to 31 miles at speeds of up to 80mph, or can be powered by petrol combustion alone. Alternatively, the hybrid mode brings both units into play, and the driver can choose to run these simultaneously – a function known as 'boosting'. When the driver stops accelerating in this mode, both motors temporarily deactivate, eliminating motor braking torque and allowing the car to glide to conserve fuel and recuperate energy.

Portland U10 129-4  
beat Weymouth 128-3  
BY 2 WKTS

WITH both teams in with a chance of winning the league, this game went down to the wire and produced a game that would have graced any tournament.

Portland got off to a great start with Owen Lovett dismissing G Price for a duck in the first over.

Sapsworth (26no) and Anderson (27no) led a great fight back and progressed the score with a good stroke play and running against a Portland attack that made the batsman work for each and every run.

Both A Bishop (7) and C Price (7) were run-out as Portland applied pressure, but the returning Sapsworth and Anderson plundered 22 runs of the final over as five-man Weymouth posted a target of 129.

With Portland sportingly lending Weymouth a fielder, Portland's openers Owen Harrison (31no) and William Cotter (4) began well, scoring 14 of the first over.

Weymouth struck back with Price dismissing Cotter. This was to be Weymouth's only success for a while as Harrison and Owen Lovett (24) put Portland on top with a stand of 48 runs.

Price returned and dismissed both Lovett and Duran as the game built to a thrilling finale.

Harry Mitchell (10) and Michael Dunning (6) on his debut kept the runs ticking over and as the final over started Portland needed 13 to win.

A first ball dot ball from the impressive Price added to the tension.

Two balls and seven runs later all was still to play for and when the next ball resulted in a run out Weymouth appeared to have the advantage.

However a well run three off the next ball meant three were needed off the last ball, and Harrison held his nerve with a four to give Portland victory.

League co-ordinator Grant Neven praised all the players and supporters concerned with this match.

"Portland's sportsmanship in lending Weymouth a fielder in a title decider sums up the nature of this league."

Cerne Valley U12 143-0  
beat Weymouth 99-4 by 44 runs.

CERNE sealed the under12's title with victory over Weymouth as once again sportsmanship was at the forefront.

Weymouth found themselves with only four players, but Owen Lovett (Portland) and Freddie Williams(Cerne) volunteered to make up the numbers.

Cerne's batsmen S Williams (27no), Tao White (31no), M Quick (25no), Taylor (4no) and Grey (7no) didn't have it all their own way as they were made to work hard for their runs.

Set 145 for victory Weymouth's openers Pete Sapsworth (28no) and C Price (12) played some sublime strokes in a partnership of 50 but never got on top of a well drilled Cerne side.

Cerne's bowlers gave very little away and, despite a battling 21 not out from Williams, Weymouth fell 44 runs short.

**Poppies crushed as Terras go on rampage**

**Kettering Town 1 Weymouth 6**

Wednesday, February 20th

**EVO-STIK SOUTH PREMIER – ATT: 187**

DESPITE conceding a second minute goal after arriving less than an hour before kick-off, Weymouth settled to hit six past a Kettering Town side who are doomed to relegation.

The Poppies who have slid down the pyramid since challenging for league status in 2008 are in a sorry state both on and off the field. They came into the game having gone through four managers in the last year, and 13 points from safety having been beaten in their last seven games.

However they stunned the Terras by taking a second minute lead when Lewis Wilson forced the ball over the line after Pat Noubissie's header from a corner had been blocked on the line.

Weymouth quickly established parity five minutes later when Ben Joyce caught Poppies keeper Yannick Nlate out with a lob, and Mark Ford had the easy task of nodding the ball into an empty net.

Chris Logan could have put the hosts back in front on 17 minutes but his header was straight at Terras' keeper Simon Evans.

Terras took the lead midway through the half when his Logan's intended clearance ricocheted off Joyce to Ford, who was presented with another easy task.

Ed Palmer increased Weymouth's lead on 34 minutes when he converted a free-kick at the far post against his former club.

Just before the break Michael King should have reduced the deficit but his header from close in lacked power and direction.

Kettering came out with more purpose at the start of the second half and they launched several attacks on the Terras' goal; their best chance being when King broke through on goal just before the hour, but Evans did well to save his shot.

Three minutes later their chances of a

comeback were dashed when Nlate completely missed Barry McConnell's cross allowing Stephen Reed an easy header for Weymouth's fourth.

Substitute, Louis Hamilton looked lively when he came on for the Poppies and his corner from the left on 84 minutes came off the crossbar, but Weymouth rubbed salt into the wounds with two late goals.

Sub Matt Groves poked home Dan Smith's cross with Nlate once again at fault, before Joyce added the sixth two minutes from time when he converted Groves' pass.

The win sees Weymouth stay eight just two points off an Evo-Stik South Premier Division play-off place.

**Moore returns to haunt Timmen**

**Truro City 1 Dorchester Town 2**

Tuesday, February 19th

**BLUE SQUARE SOUTH – ATT: 314**

KIEFFER Moore returned to Treyew Road just a week after leaving Truro City and scored the goals that saw Dorchester consolidate their mid-table position in Blue Square South, and condemn his old club to send them closer to relegation.

The striker opened the scoring midway through the first-half and then snatched the winner three minutes from time after the Timmen had drawn level.

Without the injured Ben Watson, Charlie Clough was once again pushed up front to support Moore, whilst skipper Mark Jermyn and Nathan Walker returned to the starting line-up.

Jason Matthews, under threat after the signing of Liechtenstein international keeper Benjamin Büchel on loan from AFC Bournemouth, was forced into an excellent save on five minutes when he did well to turn Martin Watts' dipping swerving 25-yard free-kick over the crossbar.

Nicholls then had Luke Payne, making his first team debut for Truro diving to his left to turn away the midfielders angled shot. Nicholls then gave Moore his first sight of goal but the striker shot high and wide.

Cody Cook then volleyed just wide of the far post as Truro looked to get his side's first home win in seven games, before the trick Andy Watkins, put away by Ben Gerring, was thwarted by Matthew's legs.

However it was Moore that found the net first, rising unchallenged to Sam Malsom's cross to head across Payne and into the corner of the net.

The Magpies didn't hold the lead for long, three minutes later Nicholls fouled Les Afful 40 yards from goal.

Up stepped free-kick specialist Watts to drive his shot through the wall and beyond Matthews' right hand, the ball skipping up off the turf six yards from goal.

Right on the half-time whistle Clough won the ball in midfield and released Moore down the right, but the former Gashead couldn't quite make the ground to connect when Moore cut the ball back from the byline.

Dorchester had a let off ten minutes after the interval when another Watts free from 25 yards clipped the top of the crossbar. Watkins' cross from the right then beat Matthews but was cleared off the back post by Walker.

In a similar incident the other end, Malsom's angled cross beat Payne but was blocked by Paul Kendall on the line before the ball bounced back into the keeper hands.

Moore grabbed the winner against his old mates when Nicholls' cross hit Kendall and dropped to Moore of the corner of the six-yard box who smashed it past Payne.

And with a minute of normal time left that man Moore grabbed his and the Magpies' second, collecting the ball 18 yards out before drilling it past Payne.

**WEYMOUTH GOLF**

**Margaret takes a breather**

MARGARET Allen is taking a well-earned break from her commitment to the Ladies' Section at Weymouth Golf Club.

She joined the club in 1984 and has been an invaluable member of the Ladies' Section Committee since 1988 when she was in charge of Eclectic competitions.

Back then details were entered by hand, an enjoyable but time consuming task.

Margaret was re-elected to the committee in 2005 as publicity officer and in 2006 took over as ladies' captain when the vice-captain relocating leaving the captain's position vacant.

It was in this year that she also took on the responsibility of captaining the Beales team.

After her year in office as captain, Margaret was invited back on the committee in 2007 as an ex-officio member and was the honorary secretary for the section in 2008 and 2009.

On relinquishing this post, she became county delegate representing Weymouth ladies at the Dorset Ladies County Golf Association, a position she has held until this month.

Alongside these activities, Margaret has been the Weymouth delegate to the Dorset Ex-Lady Captains Society and she will continue in this role.

**new members welcome**

Weymouth now has its largest ladies' section ever and welcomes new members, and is lucky to be able to play on a beautiful course that is very rarely closed due to inclement weather.

**Sunk by Supermarine**

**SUPERMARINE 26 WEYMOUTH 24**

WEYMOUTH were sunk by a controversial penalty try awarded to Supermarine ten minutes that time that gave the bottom-of-the-table hosts only their second win of the season.

Seasiders coach Paul Harding said: "It was a very debatable penalty try that was given. We were leading 24-19 at the time and looked as though we would win, but in the end they hung on for victory."

Weymouth travelled to Swindon with a weakened side but had in a game that ebbed and flowed looked to complete the double over their hosts who had taken the lead with a penalty.

However, Craig Barter scored the first of four tries for Weymouth but Supermarine went over to regain the advantage.

Weymouth then hit back with tries from Will Quick, who then had to be replaced due to a leg injury, and Joe Gibson to give them a comfortable interval lead.

## In-form Magpies clip Angels wings

**Tonbridge Angels 0  
Dorchester Town 2**

BLUE SQUARE SOUTH - ATT: 365

DORCHESTER Town recorded their fourth win in five games and completed a tough sequence of four difficult away fixtures on the trot with their third success at Tonbridge Angels on Saturday.

The game however was spoilt by the sending off of Charlie Clough in the dying seconds after a 20-man scuffle which manager Phil Simkin said was not instigated by the former Bristol Rovers player.

"One of their lads went in with a two-footed tackle on Mark Jermyn and it kicked off from there. When they sorted it out, Charlie was at the bottom of the pile and the ref showed him a red card. I guess it's not surprising as all the officials were awful."

Angels' captain Gary Elphick was also red-carded after the players had

**by Stuart Broom**  
[stuart@pemedia.co.uk](mailto:stuart@pemedia.co.uk)

left the field.

On the pitch Clough gave the Magpies a first half lead, and Ben Watson added.

On the victory Simkin told **View Sport**: "We fully deserved it. We defended really well and scored two good goals, but it was a hard game; they are a decent side; but our confidence is high at the moment."

"They put us a bit of pressure but didn't really break us down at all, and our two centre halves, Aaran Pugh and Nathan Walker were brilliant."

Kieffer Moore was absent following an injury received at Truro City which meant he was unable to develop the partnership with Ben Watson; Clough once again filling in up front.

Simkin also gave a debut to Lichtenstein international keeper Benjamin

Büchel.

"It was a gamble because I hadn't seen him play but you can see he's an international. His kicking was spot on and he made two or three cracking saves.

"We played exceptionally well, particularly Ben, but we look a different side with Kieffer in it."

After Watson had fired straight at keeper Lee Worgan from the angle of the penalty area, Mark Lovell missed a chance to put the Angels ahead when he couldn't get his foot on Henry Muggeridge's deflected shot.

The Magpies went ahead on 26 minutes when Jake Smeeton beat Muggeridge to the ball and played in Clough who despite the attention of a defender drew the keeper and steered his shot beyond the keeper's right hand.

Watson then took advantage of a mistake in the home defence and pulled the ball across the face of goal but Jamie Gleeson could only get his

toe on the end of it.

Büchel then showed his class with a superb save. Muggeridge was played through on goal but the keeper on-loan from AFC Bournemouth was quickly out to smother at his feet.

Just on the interval Worgan kept his side in touch by producing a flying save across goal to palm away Clough's angled 15-yard shot.

Büchel was called on twice in the second-half to prevent the Angels equalising. First he foiled Lee Brownrigg, diving at his feet to turn away a cross from David Ijaha, and then rushing out to block Mike Suarez turn and shot from point-blank range.

Both Jamie Gleeson and Sam Malsom went close with efforts before Watson sealed the points two minutes from time when Clough played him in down the right.

His low cross eluded both Worgan and Sonny Miles who collided going for the ball, and gently rolled on into the net.
